EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Claim 16, Line 2, "a housing" has been changed to "said housing";

Claim 17, Line 2, "a housing" has been changed to "said housing".

The above changes to the claims have been made in order to obviate rejections under 35 U.S.C. 112 2nd paragraph.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 14, 15, 18, and 33 and their dependent claims are allowable because claims 14, 15, 18, and 33 specifically require that in the area where a bottom surface and an inner circumferential surface of a housing connect with each other, the bottom surface forms an R-shaped portion and the inner circumferential surface forms a sloping portion or an R-shaped portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3745

3006284, 6267561, and 6799953 each disclose a compressor having a housing wherein in the area where the bottom surface and the inner circumferential surface of the housing meet one of the bottom surface and inner circumferential surface includes an R-shaped portion.
